

Advanced Java Workshop

A Two Days workshop was organized by School of computing Science & Engineering on “**Advanced JAVA**” . Expert from the industry enlight the students with advanced java topics and practical problems. Registraion done by online technojam student team also information shared to students by mail.129 students attended the workshop.The workshop was held on 11 & 12th March 2016 from 09:00 a.m. to 4.00 pm at Galgotias University. The Program started as the guest arrived at 09:00 am and ended with the discussion of students and faculty with the expert who graced the occasion with his valuable words. The program was followed by enlightening the students with the purpose and importance of Java and programming language and also by hands on sessions on Java Technical Details:

Some highlights of the core and advanced java covered in the workshop

- Introduction to Java Programming concepts
- Class, Objects, Methods, Array, String
- Interfaces, Exceptions, Streams
- Functions, Data Structures
- Class, Methods, Files, Exceptions

The expert also emphasized on how these programming languages differ from the other languages like C,C++. This comparative study helped students to get a clear idea about how the programming languages differ from each other.

- **Coordinators of Event:-** Mr. Manjeet Singh (A.P, SCSE)
Ms. Sandeep Kaur(A.P,SCSE)
Ms. Mamta Narwaria (A.P, SCSE)

The poster is for a Java Workshop titled "TECHNO JAM PRESENTS JAVA Workshop". It is organized by Galgotias University, School of Computing Science & Engineering. The workshop is held on 11th - 12th March 2016 at C-block Seminar Hall. The poster features a yellow background with a blue and red logo for Galgotias University. A cartoon character of a person with glasses and a laptop is on the right. The text includes: "Java: Develop your core technical skill.", "Last Date Of Registration 11 MARCH 2016", "ENTRY FEE- 50 Rs/-", "Workshop by IT professional.", "Time 11:00 to 04:30", and "11 - 12 MARCH 2016." The poster also mentions "For registration visit our website http://technojam2016.byethost7.com" and "CONTACT: Anil Gupta (9458300860), Shubham verma(8130023165)".
